Red Velvet Cake Ball Recipe

“Don’t tell your friends, you’ll possibly loose a finger over it ;)

Red Velvet Cake Ball Recipe:

- **Make a box of red velvet cake (choose a brand of your choice).**
- **Crumble in a bowl**
- **Mix cream cheese icing into the red velvet cake crumbles**
- **Chill in refrigerator**
- **Form into balls**
- **Chill in fridge or freezer for faster timing**
- **Melt chocolate (white, dark, or brown) in sauce pan**
- **Dip cake balls in chocolate**
- **Refrigerate**

*** warning the product above is to be eaten in moderation, unless levels of high stress occur. Then eat at your own discretion. We have calculated more than 8 balls can add a pound or two to a waist line. Enjoy!**
